# About this guide

Welcome to your Bupa Dental Plan membership guide.

At Bupa, we know that insurance can be hard to follow. That's why we've made this guide as simple as possible. You'll find individual chapters that deal with each aspect of your Bupa cover, including a step-by-step guide to making a claim.

Please make sure that you keep this guide somewhere safe. You'll need it when you come to claim.

Wherever you see words or phrases in ***bold italics***, these have technical meanings which are set out in the glossary towards the end.

## How does the membership guide work with my membership certificate?

Your membership certificate lists the cover option you have chosen. This membership guide explains the benefits available to you for that level of cover. Please read this membership guide together with your membership certificate as together they set out full details of how your dental insurance works.

## Statement of demands and needs

The cover provided under the membership of the ***scheme*** is generally suitable for someone who is looking to cover the cost of a range of dental treatment expenses. We have not provided you with any advice about your cover and how it meets your individual needs. Please read your membership certificate and membership guide to make sure that this policy still meets your needs.

## How do I contact Bupa?

# Introduction

Bupa Dental Plan is a group insurance policy governed by the **agreement**. The terms and conditions of your membership have been agreed between your **sponsor** and **Bupa**. There is no legal contract between you and us for your cover under the **agreement**. Only **Bupa** and your **sponsor** have rights under the contract of insurance, although you and your **dependants** will have access to the claims and complaints process as set out in this membership guide.

This membership guide describes the rules and benefits that apply to your membership. This membership guide should be read in conjunction with your membership certificate. Together these documents set out the details of your membership and that of your **dependants** (if any) of the **scheme**.

# How your membership works

## Enrolment

Your date of enrolment in the **scheme** will be the date shown as the **cover start date** on your first membership certificate. The date will be the start of your current continuous period of membership of the **scheme** under the **agreement** between the **sponsor** and **Bupa**.

The membership of any **dependants** will start on the date shown as the **cover start date** as shown on your membership certificate. This date will be the start of their current continuous period of membership for the **scheme** under the **agreement** between the **sponsor** and **Bupa**.

## Eligibility criteria

Who can be a **main member**?

Anyone who is:

- aged 18 or over,
- a resident in the **UK** and an employee of the **sponsor**, or
- a retired employee who, at the time of retirement was a **main member** of the **scheme**.

You can add your **partner** as a **dependant**. If you wish to add a child as a **dependant**, they must be at the **cover start date**:

- under 24 years old and not married, and
- a resident in the **UK**.

## Renewal

Bupa Dental Plan is an annual contract between your **sponsor** and **Bupa**. Your membership of the **scheme** will renew on the **annual renewal date** in accordance with the terms and conditions of this membership guide subject to the **sponsor** renewing the **scheme**.

## Payment of subscriptions

The **sponsor** must pay to us subscriptions and any other payment due for your membership and that of any **dependants** covered under the **agreement**, as and when they are due.

Bupa Insurance Services Limited acts as **our** agent for arranging and administering your policy. Subscriptions are collected by Bupa Insurance Services Limited as our agent for the purpose of receiving, holding and refunding premiums and claims monies.

## How your membership can end

**Bupa** can end a person's membership, void a person's membership as if it never existed or refuse to pay a claim in full or part if there is reasonable evidence that you or a **dependant** did not take reasonable care in answering **our** questions. By this **we** mean giving false information or keeping necessary information from **us**.

- If intentional, **we** may void your membership and refuse all claims.
- If careless, **we** may:
  - end your membership and refund any subscriptions you have paid (and other associated taxes) which relates to the period after the membership ended, or
  - void your membership and refuse all claims and refund all of your subscriptions, or
  - change the cover, or
  - need to increase your subscription or **we** could reduce any claim payment by the same proportion.

The **sponsor** may terminate your membership of the **scheme** or that of your **dependants** at any time by notifying **Bupa** in writing.

Your membership of this **scheme** and that of your **dependants** will immediately come to an end if:

- the **agreement** between **Bupa** and the **sponsor** under which you were enrolled as a member of the **scheme** terminates
- the sponsor does not pay on or before its due date the required subscriptions and any other payment due under the **agreement** for you and your **dependants**
- you cease to meet the eligibility criteria for membership of the **scheme** as agreed between **Bupa** and the **sponsor** (see the section 'Eligibility criteria' on page 5)
- you die.

The cover for any child you add as a **dependant** will end at the next **annual renewal date** following their 24th birthday.

In the event of your membership terminating as a result of ceasing to be employed by the **sponsor**, or the company, association or organisation ceases to be a **sponsor**, **Bupa** will give the **main member** the opportunity to join an alternative Bupa Dental product, where available, and subject to amendment from time to time, although this cannot be guaranteed. If you transfer within one month, **we** will not add any special restrictions or exclusions to your cover under the new product, that are personal to you, other than those which apply to you under this **scheme**.

## Alterations to the agreement

**We** can make changes to the terms and conditions of your membership of the **scheme** and that of the **agreement** between the **sponsor** and **Bupa** at the **annual renewal date** or at any time if required to by law or regulation.

These changes could affect the amount and type of cover provided under the **scheme**.

**We** may also change or withdraw the amount of any discount or preferential rates at the **annual renewal date**.

**We** can, at any time, change the amount to be paid to **us** in respect of Insurance Premium Tax (IPT) or any other taxes, levies or charges that may be introduced and which are payable in respect of your cover if there is a change in the rate of IPT or if any such taxes, levies or charges are introduced.

If **we** do make any changes to the terms and conditions of your membership **we** will write to tell you at least 28 days before the change takes effect. If the changes are required to be made more quickly by law or regulation **we** will notify you as early as possible.

If you do not accept any of the changes you can end your membership by informing your **sponsor** either:

- within 28 days of the date on which the change takes effect, or
- within 28 days of **us** telling you about the change

whichever is later.

## General

The terms and conditions of your membership and that of your **dependants** shall be governed by English law and all matters regarding your membership and theirs shall be subject to the exclusive jurisdiction of the courts of England and Wales.

**Bupa** will not return, and may dispose of, any documents submitted in support of any application or claim made in connection with your membership or that of your **dependants** unless requested to the contrary in writing at the time of submission.

No amendment or variation to the terms and conditions of your membership or that of your **dependants** shall be valid and effective unless made in accordance with these rules and benefits or specifically agreed between your **sponsor** and **Bupa** and also confirmed in writing. Unconfirmed verbal communications cannot override the written terms and conditions of your membership or those of your **dependants**, nor amount to any agreement to vary any of its terms. No third party is authorised to effect any such amendment or variation on behalf of **Bupa**, or to waive any of **Bupa's** rights.

Any failure by **Bupa** to exercise, or any delay by **Bupa** in exercising, any of its legal rights or remedies under the **agreement** shall not amount to any waiver by **Bupa** of any such rights or remedies.

You must notify **Bupa** in writing as soon as is reasonably practicable of any claim or right of action you or any of your **dependants** have against any third party in connection with circumstances which may give, or have given, rise to a claim against **Bupa** for the payment of **benefits**.

**Benefits** are paid on condition that you and your **dependants** take all steps which **Bupa** may reasonably require, for the purpose of reimbursing **Bupa**, to recover from a third party any sums paid to you by **Bupa**.

You must take any reasonable steps **we** ask of you to recover from the third party the cost of the **treatment** paid for by **us** and claim interest if you are entitled to do so.

## Notices

Any notice or communication which is given under or in connection with this **scheme** shall be in writing and shall be sent by pre-paid post, recorded delivery or delivered personally in the case of **Bupa** to **Bupa's** administrative address at **Bupa, Bupa Place, 102 The Quays, Salford M50 3SP** and in your case or the case of the **sponsor** to your address, or the **sponsor's** address, as the case may be, last notified in writing to **Bupa**. In the absence of evidence of earlier receipt, any notice or communication shall be deemed to have been received on the day following delivery if delivered personally, or three days after posting if sent by pre-paid post.

# Claiming

## Before your treatment

Before you or your **dependants** have any **treatment** unless it's for **emergency dental treatment**, it's important to check your policy and what you're covered for.

Always call **us** first if:

- you're unsure of what your benefit limits are
- you or your **dependants** are unsure what's covered
- **oral cancer treatment** is required, as this needs to be pre-authorised prior to receiving any **treatment**. Please refer to **oral cancer treatment** section on page 18.

Call the Bupa Dental helpline on **0800 237 777\***.

## After your treatment

### What happens about paying?

How you pay for your **treatment** depends on which centre you visit:

#### In selected Bupa dental centres

**We'll usually be able to settle your claim in certain dental centres, so there's no need to pay unless there are any costs that fall outside the limits of your cover.**

To check which Bupa dental centres offer this service please call **0800 237 777\***.

Remember to take your membership number with you and give it to the receptionist.

\*We may record or monitor our calls.

## In any other dental centre

You'll need to pay for your treatment yourself and claim some or all of it back, depending on the limits of your cover.

1. Remember to get a receipt as you'll need this to make your claim. Your receipt must show: name and contact details of the dentist, date and type of **treatment**, and the name of the person who has had the **treatment**.
2. You can make your claim online or by post. Either way, make sure you include: your Bupa membership number, your receipt and the bank account you would like your authorised claim to be paid into.

### Online

- Visit [bupa.co.uk/dental/finance-and-insurance/make-claim](https://bupa.co.uk/dental/finance-and-insurance/make-claim)
- Scan and upload your receipt
- Submit your claim

### By post

- Download a claim form at [bupa.co.uk/dental/finance-and-insurance/make-claim](https://bupa.co.uk/dental/finance-and-insurance/make-claim)
- Fill in the form and post it, along with your receipt, to:  
**Bupa Dental Insurance,  
Bupa Place, 102 The Quays,  
Salford M50 3SP**

3. As long as **we** have all the information **we** need from you, you can expect your claim to be processed within seven to ten days. Your money will be paid directly into your bank account or by cheque depending on which payment method you've chosen.

For any **dental treatment** received outside the **United Kingdom**, the amount of any **benefits** to be paid to you shall be calculated by **Bupa** using the average of currency exchange rates shown on [www.oanda.com](http://www.oanda.com) applicable on the date on which the claim is paid.

Any **treatment** costs you incur that are not covered under your **benefits** are your responsibility.

Payment of **benefits** is conditional upon your **sponsor** having paid all subscriptions due on or before the date of the **treatment** for which you are claiming benefits.

Claims should be submitted to **Bupa** as soon as is reasonably practicable and not later than six months after **treatment** is completed (where reasonably possible).

Payment of **benefits** is conditional upon **Bupa** receiving:

- a written claim for payment within six months from the date of the completion of the **treatment** (where reasonably possible), such proof of entitlement to receive the **benefits** claimed as **Bupa** may reasonably request (including but not limited to (i) any dental reports and other information, and (ii) the results of an independent dental examination which **Bupa** may require you to undergo at its expense)
- copies or uploads of your original itemised receipts/fully paid invoices, scans or clear photographs are accepted.

Should a claim be made for the payment of **benefits** in respect of the cost of **emergency dental treatment, general dental treatment** and **dental injury treatment** received outside the **United Kingdom**, the amount of any **benefits** to be paid to you shall be calculated by **Bupa** using the average of currency exchange rates as applicable on [www.oanda.com](http://www.oanda.com) on the date on which the claim is paid. Also see section on 'General rules on benefits'.

**We** may not pay a claim in full or part if there is reasonable evidence that you or a **dependant** did not take reasonable care in answering **our** questions. By this **we** mean giving false information or keeping necessary information from **us** if:

- intentional, **we** may void your membership and refuse all claims
- if careless, **we** may:
  - end your membership and refund any subscriptions you have paid (and other associated taxes) which relates to the period after the membership ended or
  - void your membership and refuse all claims and refund all of your subscriptions, or change the cover, or
  - need to increase your subscription or **we** could reduce any claim payment by the same proportion.

# General rules on benefits

**Bupa** agrees to pay **benefits** in respect of **treatment** received by you and each of your **dependants** in accordance with the terms and conditions of your membership current when the **treatment** was received provided that whoever receives the **treatment** does so during their period of membership.

**We** only pay for the **dental treatment** and **oral cancer treatment** specified in the Bupa Dental Plan benefits section of this membership guide.

**Benefits** are only payable by **us** to the extent that the fees and expenses incurred for **dental treatment** and **oral cancer treatment** are up to an amount which is reasonable and customary and up to the maximum benefit limits set out in this membership guide or the **consultant fees schedule**.

By reasonable and customary **we** mean the amount you are charged by **dental professionals, recognised practitioner** or **partnership facility** and what you are charged for has to be in line with what the majority of **our** other members are charged for similar **treatment** or services.

**Bupa** will only pay **benefits** for necessary **dental treatment** provided by a **dental professional**. Where a **dependant** makes a valid claim **Bupa** will only reimburse the **main member** for that claim. **Benefits** are payable by **Bupa** only to reimburse fees and expenses actually incurred by you or your **dependants**.

**Orthodontic treatment** is only available when it is grade 4-5 on the **IOTN scale (Index of Orthodontic Treatment Need)** and is **clinically necessary**. It must be carried out by an orthodontic specialist who is registered with the General Dental Council.

In exceptional circumstances, **we** may agree to pay for the costs of **dental treatment** to which you are not entitled under your cover. If **we** do, this payment will count towards the maximum amount **we** will pay under your related cover. Making these payments does not oblige us to make them in the future.

## Oral cancer rules on benefits

### Being referred for oral cancer treatment using a recognised practitioner and partnership facility.

See also section 2 Oral cancer section page 18.

Your consultation or **treatment** must follow an initial referral by a **dental professional** or **GP** after you have seen the **dental professional** or **GP** in person. However, for **day-patient treatment** or **in-patient treatment** provided by a **consultant** such referral is not required in the case of a medical emergency.

Your cover for **oral cancer treatment** costs depends on you using certain **recognised practitioners** and **partnership facilities**. Please see benefits table for **oral cancer treatment** on page 18.

**Please note:** The medical practitioners other healthcare professionals and facilities you use can affect the amount **we** pay you.

Your **treatment** costs are only covered when the person who has overall responsibility for your **oral cancer treatment** is a **consultant**. If the person who has overall responsibility for your **treatment** is not a **consultant**, then none of your **oral cancer treatment** costs are covered.

**Important:** Always call **us** before arranging any **oral cancer treatment** to check your **benefits** and whether the chosen medical practitioner or other healthcare professional or **partnership facility** is recognised by **us** for treating the medical condition you have and provides the type of **treatment** you need. Any **treatment** costs you incur that are not covered under your **benefits** are your responsibility.

**NHS treatment** charges may change on an annual basis and you are covered up to the applicable limit currently charged by the NHS.

**NHS treatment** charges differ depending on your location in the UK. To understand what **NHS treatment** costs will apply please refer to your local NHS website for information or ask your dentist.

### NHS England, Wales and Isle for Man

**Band 2:** Includes all treatment covered by Band 1, plus additional treatment, such as fillings, root canal treatment and removing teeth (extractions). (As above)

**Band 3:** Includes all treatment covered by Bands 1 and 2, plus more complex procedures, such as crowns, dentures and bridges. (As above)

For a full list of applicable treatments covered under the NHS please refer to your local NHS website for information or ask your dentist.

**Please note:** If, within two months of completing a course of **NHS treatment**, you need more treatment from the same NHS band or a lower band we would expect that you would only be charged once for the same NHS band.

- the same or a lower NHS Band, **we** will reimburse you for the first treatment you received in full (but **we** won't pay anything for the second treatment)
- a higher NHS Band, **we** would reimburse you for a total of the highest applicable NHS Band.

After two months, if you need more **dental treatment**, this would be treated as a new claim and **we** would reimburse you for the relevant NHS Band up to NHS limits.

**Please note:** that **we** will pay the same amount for treatment which is carried out on the NHS and privately, even if the cost of your private treatment is more than the relevant NHS Band charge.

### **Scotland and Northern Ireland**
