The quickest way to the right support.

Consultant and Facilities Finder.
For small business customers.
How it works

- Search for a Bupa-recognised consultant, therapist, anaesthetist or dentist by specialty, postcode or name.
- Search for a Bupa-recognised hospital, dental practice or health centre by postcode or name.
- Read about their experience and qualifications, or find out more about the facilities and services they offer near home or work.
- Online directory accessible from wherever you are in the UK.
- Find a contact number to book an appointment and see where they are on a map.
- Choose from over 22,000 consultants and 1,228 facilities, including more than 480 Bupa-owned dental practices across the UK (correct as of January 2021).
- You can also check whether your consultant or anaesthetist is fee assured. This means that they have agreed to charge within our benefit limits, so you won’t receive any unexpected bills for eligible treatment.
