This is a summary of the insurance cover. Before purchase, further information can be found in your quotation and/or the membership guide. Full terms and conditions of the policy are contained in the membership guide and on your membership certificate which you will receive after your purchase. It is important you read all of these documents carefully.

What is this type of insurance?
Dental insurance, which is designed to provide a cash benefit to cover the cost of dental treatment eligible on the NHS, whether treatment is provided by the NHS or privately, and to insure for the treatment of cancer.

What is insured?
- UK only dental treatment
- Oral Cancer treatment – paid in full when using a recognised practitioner, partnership facility or a fee-assured consultant

Cover is available for individuals and family members.

In England, Wales and the Isle of Man
- Costs for treatment carried out on the NHS by an NHS dentist, will be fully reimbursed. The NHS have three different bands into which all treatment falls:
  - NHS Band 1: Includes an examination, diagnosis and advice. If necessary, it also includes X-rays, a scale and polish if clinically needed, and preventative care
  - NHS Band 2: Includes all treatment covered by Band 1, plus additional treatment, such as fillings, root canal treatment and removing teeth (extractions)
  - NHS Band 3: Includes all treatment covered by Bands 1 and 2, plus more complex procedures, such as crowns, dentures and bridges

In Scotland and Northern Ireland
- Costs for treatment carried out on the NHS, by an NHS dentist will be fully reimbursed
- Oral Cancer treatment – paid in full when being referred for oral cancer treatment and using a recognised practitioner, partnership facility or a fee-assured consultant

- If you have private treatment that would have been eligible under an NHS dentist, we will cover the NHS equivalent costs, ie the amount of money the treatment would have cost if it had been carried out and charged by the NHS

What is not insured?
- Cosmetic treatment
- Dental consumables such as toothbrushes, mouthwash and dental floss
- Dental injury whilst participating in a physical contact sport such as rugby or boxing
- Dental procedures carried out by a hospital, for example wisdom teeth extractions
- Dental treatment care or repair to gums, teeth, mouth or tongue in connection with mouth jewellery
- Dental treatment resulting from or related to a self-inflicted injury
- Any costs of private treatment that exceed the charges that would be paid if you had been treated on the NHS
- Any treatment that the NHS would not provide
- Scale and polish (if not deemed clinically necessary)
- Anti-snoring devices
- Fissure sealants
- Mouthguards
- Orthodontic treatment
- Pre-existing conditions
- Replacement of dentures or a prosthetic appliance which have been lost or stolen
- Antibiotics, painkillers or other prescription charges
- Surgical implants

Are there any restrictions on cover?
- Any oral cancer treatment if the person receiving the treatment has not been referred to the recognised practitioner by their GP or dental professional
- Oral cancer treatment for cancer of the tonsils or the salivary glands
- Experimental and or unproven treatment
- Restorative dental treatment within 4 months of the start date
- Restorative dental treatment received or planned at your first dental examination if you have not had a dental examination in the 24 months before you join the policy
- Oral cancer treatment within six months of your cover start date

Other restrictions apply, please see full terms and conditions.
