Customer complete

Before you begin

Please complete this form using **BLOCK CAPITALS** and **BLACK INK**

This application form is for anyone (except professional sportspersons) who is applying to join Bupa Select and who at the time of applying:

- has health insurance with another insurer and
- has had their health insurance cover with that insurer for at least six months if the underwriting terms were Medical History Disregarded.

In which case, we may, at our sole discretion, consider your application on a No Further Underwriting basis. Applicants who have had their health insurance with another insurer for less than six months where the underwriting terms were Medical History Disregarded cannot be considered on a No Further Underwriting basis. They will need to complete a fully underwritten application form. Please note: any dependants you wish to cover who do not currently have health insurance cover with another insurer cannot be considered to join on a No Further Underwriting basis. They will need to complete a fully underwritten application form. If they do currently have cover, you can include them in this application form.

If yes is answered to any of the conditions in section 5 further underwriting may be applied.

- If we do not offer cover on a No Further Underwriting basis we will tell you what additional exclusions we will apply to your Bupa cover that are personal to you and/or your dependants (if any). If your previous policy was Moratorium, please contact us to find out if any additional exclusions apply.
- This application form is designed to ensure we have all the information we need about you and your dependants in order to make moving to Bupa from your current insurer as straightforward as possible.

Remember to give us as much detail as you can about yourself and any dependants you would like to cover. You must take reasonable care to answer all the questions honestly and to the best of your knowledge. If you are adding any dependants, you must check all answers in relation to any dependants with them to make sure that their details are correct. By reasonable care we mean not giving false information or keeping necessary information from us. Your policy may be cancelled, or treated as if it never existed, or your claim may be rejected or not fully paid, if there is reasonable evidence that you or a dependant did not take reasonable care in answering our questions.

If you have any queries while you're completing the questions, please call your Bupa adviser or health care intermediary.

6. Medical reports – when we need more information from your doctor

When we need to ask your doctor for more information in writing about your consultation, tests or treatment for insurance purposes, we will need your permission. The **Access to Medical Reports Act 1988** or the **Access to Personal Files and Medical Reports (NI) Order 1991** give you certain rights, which are:

1. You can give permission for your doctor to send us a medical report without asking to see it before they send it to us.
2. You can give permission for your doctor to send us a medical report and ask to see it before they send it to us.
 - You will have 21 days from the date we ask your doctor for your medical report to contact them and arrange to see it.
 - If you don't contact your doctor within 21 days we will ask them to send the report straight to us.
 - You can ask your doctor to change the report if you think it's inaccurate or misleading. If they refuse, you can insist on adding your own comments to the report before they send it to us.
 - Once you've seen the report, it won't be sent to us unless you give your doctor permission to do so.
3. You can withhold your permission for your doctor to send us a medical report. If you do, we'll be unable to see whether the consultation, test or treatment is covered by your policy, and we won't be able to give you a pre-authorisation number or confirm whether we can contribute to the costs.

In any event you also have the right to ask your doctor to let you see a copy of your medical report within six months of it being sent to us.

Your doctor can withhold some or all the information in the report if, in their view, the information:

- (a) might cause physical or mental harm to you or someone else or
- (b) would reveal someone else's identity without their permission (unless the person is a healthcare professional and the information is about your care provided by that person).

We may be able to pay towards the cost of a medical report. We will let you know when we ask for your permission to request the report from your doctor. If we can pay towards it, you will need to pay any remaining amount.

7. Your legal declaration

Important: Please read this declaration carefully before signing and dating the completed form.

1. To the best of my knowledge and belief the information given in this form is true, accurate and complete. I understand that Bupa can end a person's policy or refuse to pay a claim in full or part if there is reasonable evidence that I or a dependant did not take reasonable care when providing any information requested in this form.
2. Where I have provided information on behalf of any other person to be covered on the policy, I confirm that I have checked with them that the information is correct before completing this form and I have their express agreement to submit this form on their behalf, or I am their legal representative.
3. I understand that my personal information and that of any other person to be covered on this policy will be processed by Bupa for the purposes set out in Bupa's privacy notice. I confirm that I have brought Bupa's privacy notice to the attention of the persons covered.
4. I agree to be bound by the policy terms and conditions (including in respect of those terms that apply to any other person to be covered on this policy). I agree that English law will apply to the policy terms and conditions.

It is essential that you take reasonable care to provide us with full, complete and accurate information when you complete this form. Please be sure to check the entire form.

If you do not provide complete information about yourself or any other person covered under the policy, we may have the right to end your policy, or to refuse to pay all or part of a claim.

We recommend that you keep a record of all the information you supply to us in connection with this form, including letters.

If you would like a copy of this form, please ask us.

Signature

Date

D	D	M	M	Y	Y	Y	Y
---	---	---	---	---	---	---	---

We'll verify your digital signature if your form is signed using an Adobe Digital ID or Adobe Sign (or equivalent). If you modify your form after digitally signing it, or send us a printed or scanned copy of the form, then we won't be able to verify your digital signature at this point and will need to contact you either by phone or in writing to confirm this is your signature. Until we have verified or confirmed your signature, we won't be able to advise exactly what your policy covers you for, meaning your claims might take longer for us to process and we might not be able to pay for treatment you need.

Privacy notice – in brief

We are committed to protecting your privacy when dealing with your personal information. This privacy notice provides an overview of the information we collect about you, how we use it and how we protect it. It also provides information about your rights. The information we process about you, and our reasons for processing it, depends on the products and services you use. You can find more details in our full privacy notice available at bupa.co.uk/privacy. If you do not have access to the internet and would like a paper copy, please write to **Bupa Data Protection, Willow House, 4 Pine Trees, Chertsey Lane, Staines-upon-Thames, Middlesex TW18 3DZ**. If you have any questions about how we handle your information, please contact us at dataprotection@bupa.com

Information about us

In this privacy notice, references to 'we', 'us' or 'our' are to Bupa. Bupa is registered with the Information Commissioner's Office, registration number Z6831692. Bupa is made up of a number of trading companies, many of which also have their own data-protection registrations. For company contact details, visit bupa.co.uk/legal-notice

1. Scope of our privacy notice

This privacy notice applies to anyone who interacts with us about our products and services ('you', 'your'), in any way (for example, email, website, phone, app and so on).

2. How we collect personal information

We collect personal information from you and from certain other organisations (those acting on your behalf, for example, brokers, health-care providers and so on). If you give us information about other people, you must make sure that they have seen a copy of this privacy notice and are comfortable with you giving us their information.

3. Categories of personal information

We process the following categories of personal information about you and, if it applies, your dependants. This is standard personal information (for example, information we use to contact you, identify you or manage our relationship with you), special categories of information (for example, health information, information about race, ethnic origin and religion that allows us to tailor your care), and information about any criminal convictions and offences (we may get this information when carrying out anti-fraud or anti-money-laundering checks, or other background screening activity).

4. Purposes and legal grounds for processing personal information

We process your personal information for the purposes set out in our full privacy notice, including to deal with our relationship with you (including for claims and handling complaints), for research and analysis, to monitor our expectations of performance (including of health providers relevant to you) and to protect our rights, property, or safety, or that of our customers, or others. The legal reason we process personal information depends on what category of personal information we process. We normally process standard personal information on the basis that it is necessary so we can perform a contract, for our or others' legitimate interests or it is needed or allowed by law. We process special categories of information because it is necessary for an insurance purpose, because we have your permission or as described in our full privacy notice. We may process information about your criminal convictions and offences (if any) if this is necessary to prevent or detect a crime.

5. Marketing and preferences

We may use your personal information to send you marketing by post, phone, social media, email and text. We only use your personal information to send you marketing if we have either your permission or a legitimate interest. If you don't want to receive personalised marketing about similar products and services that we think are relevant to you, please contact us at optmeout@bupa.com or write to **Bupa Data Protection, Willow House, 4 Pine Trees, Chertsey Lane, Staines-upon-Thames, Middlesex TW18 3DZ**

6. Processing for profiling and automated decision-making

Like many businesses, we sometimes use automation to provide you with a quicker, better, more consistent and fair service, as well as with marketing information we think will interest you (including discounts on our products and services). This may involve evaluating information about you and, in limited cases, using technology to provide you with automatic responses or decisions. You can read more about this in our full privacy notice. You have the right to object to direct marketing and profiling relating to direct marketing. You may also have rights to object to other types of profiling and automated decision-making.

7. Sharing your information

We share your information within the Bupa group of companies, with relevant policyholders (including your employer if you are covered under a group scheme), with funders who arrange services on your behalf, those acting on your behalf (for example, brokers and other intermediaries) and with others who help us provide services to you (for example, health-care providers) or who we need information from to handle or check claims or entitlements (for example, professional associations). We also share your information in line with the law. You can read more about what information may be shared in what circumstances in our full privacy notice.

8. International transfers

We work with companies that we partner with, or that provide services to us (such as health-care providers, other Bupa companies and IT providers) that are located in, or run their services from, countries across the world. As a result, we transfer your personal information to different countries including transfers from within the UK to outside the UK, and from within the EEA (the EU member states plus Norway, Liechtenstein and Iceland) to outside the EEA, for the purposes set out in this privacy notice. We take steps to make sure that when we transfer your personal information to another country, appropriate protection is in place, in line with global data-protection laws.

9. How long we keep your personal information

We keep your personal information in line with periods we work out using the criteria shown in the full privacy notice available on our website.

10. Your rights

You have rights to have access to your information and to ask us to correct, erase and restrict use of your information. You also have rights to object to your information being used; to ask us to transfer information you have made available to us; to withdraw your permission for us to use your information; and to ask us not to make automated decisions which produce legal effects concerning you or significantly affect you. Please contact us if you would like to exercise any of your rights.

You also have a right to make a complaint to your local privacy supervisory authority.
