General Discretions

Discretion GD1 Treatment at Home

We may pay for *Eligible Treatment* at home. You must have our agreement before the *Treatment* starts and we need full details from your *Consultant*.

The following must apply:

- your *Consultant* must recommend that you receive the *Treatment* at home and must remain in overall charge of your *Treatment*
- if you did not have the *Treatment* at home then, for medical reasons, it would be necessary for you to receive the *Treatment* in a *Recognised Facility*
- the *Treatment* must be provided by a medical *Treatment* provider on our list for the type of *Treatment* at home you need. These providers and the type of *Treatment* we recognise them for may change from time to time. You can ask us whether a *Treatment* provider is on our list and the type of *Treatment* we recognise them for or you can access these details at finder.bupa.co.uk

We do not pay for any fees or charges for *Treatment* at home which has not been provided by the medical *Treatment* provider we recognise.

- be an integral part of *In-patient Treatment* and take place in a *Recognised Facility*
- start within forty-two days from and including the date you first receive that *In-patient Treatment*.

You must have our agreement before the rehabilitation starts and we need full details from your *Consultant* before we can give our decision.

Section two: Policy Terms Bupa By You Health Insurance

We are Bupa Insurance Limited and you are the Main Member named on the Certificate we provide which refers to these Policy Terms.

Your Certificate (which is personal to you and your *Dependants*), the Benefits Table and these Policy Terms (including the Glossary), together form *our* Bupa By You Health Insurance Agreement with you. If you have bought Bupa By You Travel and Emergency Medical Cover then your membership guide for the Travel and Emergency Medical Cover also forms part of *our* Agreement with you. It is important that you read these documents together to understand your cover.

Some words and phrases *we* use are in *italics*. These have technical meanings which are set out in the glossary at the end of these Terms.

As well as this Policy Benefits and Terms booklet, *we* will give you a 'Getting you started' guide which describes how to contact *us* and how you can claim *Benefits*. This booklet and the guide are also available online at **bupa.co.uk/policyinformation**

Still have questions?

You should call the helpline if you are unsure of your *Benefits*: **0345 609 0777** or **01784 411 734**. *We* may record or monitor *our* calls.

For those with hearing or speech difficulties who use a textphone, call *us* on **0345 606 6863**.

Eligibility

To be eligible for this cover the *Main Member* and *dependants* must:

- be resident in the *UK* and have been *resident* there for at least six months;
- at the *Start Date* have been registered continuously with a *GP* for a period of at least six months, or have access to and be able to provide your full medical records in English and;
- not receive payment for taking part in sports.

1 Cover for you and your dependants

1.1.1 Only you as the *Bupa Main Member* have legal rights under this Agreement, although your *Dependants* also have access to *our* complaints process (please see ‘Making a complaint’ in the ‘Protecting your information and rights’ section of this booklet).

1.1.2 Your Certificate names any *Dependants* you have asked *us* to cover. Where *we* refer to “you” in these Terms, Benefits Table and on your Certificate in relation to the cover or a claim, that will include your *Dependants*, where relevant.

1.1.3 The details of the cover you have chosen, whether *NHS Cash Benefits* apply, any personal restrictions or exclusions, excess payments, and the Start and Renewal Date(s), are listed on your Certificate.

1.1.4 The *Benefits* *we* provide and some requirements are described in *our* Benefits Table. *Benefits* mentioned in these Terms or the Benefits Table, but not listed on your Certificate, do not apply to you or your *Dependants*.

1.1.5 The Benefits Table also details conditions, *Treatment*, charges and costs *we* do not cover and some items where *we* have a discretion.

1.1.6 Your Certificate will state whether your cover is Underwritten or Moratorium (and explain what that means).

1.1.7 You must pay subscriptions (including Insurance Premium Tax (IPT)) in advance throughout your membership. Bupa Insurance Services Limited acts as *our* agent for arranging and administering your policy. Subscriptions are collected by Bupa Insurance Services Limited as *our* agent for the purpose of receiving, holding and refunding subscriptions and claims monies.

If the IPT rate changes or any new taxes or charges are introduced, *we* will change the amount of the subscriptions you have to pay.

1.2 You will have a contract with the *Consultant/medical practitioner/healthcare professional and/or clinic/hospital* for private medical *Treatment* and you are responsible for paying for them. If your *Treatment* is covered, *we* will pay the amount covered. *We* usually pay direct although occasionally *we* may pay you. Any amount not covered is your responsibility. *We* will tell you how *we* have dealt with a claim.

1.3 *We* only pay the *Benefits* that apply to you under a current policy on the date you received your *Treatment*. The fact that *we* have pre-authorized *Treatment* does not mean that *we* will pay if the policy does not continue.

1.4 *We* do not have to pay a claim if you break any of these Terms.

1.5 Your agreement is for one year's insurance. However, your cover will renew automatically each *Year*, subject to 1.6.1 to 1.6.4 below, as long as you continue to pay your subscriptions and any other charges, unless we decide to close Bupa By You Health Insurance.

If this applies, we will write to tell you at least 28 days before your Renewal Date.

1.6.1 You can end your cover (which will also end the cover for your *Dependants*) or the inclusion of any of your *Dependants* at any time by calling us on **0345 609 0777** or **01784 411 734** (we may record or monitor our calls) or writing to us: **Bupa, Salford Quays, Salford M50 3XL**. For those with hearing or speech difficulties who use a textphone, call us on **0345 606 6863**. We will refund any subscriptions which relate to a period after the cover ends.

1.6.2 Your cover, and that of all your *Dependants*, will automatically end if:

- you do not pay your subscriptions on time
- you stop being *resident* in the UK, or
- you die.

1.6.3 A *Dependant's* individual cover will automatically end if:

- you tell us not to renew the cover of that *Dependant*
- the *Dependant* stops being *resident* in the UK
- the *Dependant* dies

- in relation to Add On Benefit A3 Health Expenses Cover only, the child *Dependant*:
 - reaches the age of 18 and is not in full time education
 - is over 18 and ceases to be in full time education, or reaches the age of 21, or
 - stops being *resident* at your address.

It is your responsibility to tell us if this happens.

1.6.4 We can end a person's membership or refuse to pay a claim in full or part if there is reasonable evidence that you or a *dependant* did not take reasonable care in answering our questions. By this we mean giving false information or keeping necessary information from us if:

- intentional, we may end the cover or not pay a claim in full or part.
- careless, we may:
 - withdraw cover, refuse all claims and refund all of your subscriptions
 - change the cover
 - need to increase your subscription or we could reduce any claim payment by the same proportion.

1.7 We can change these Terms, the amount of your subscriptions, any discount or preferential rates and the cover available to you and your *Dependants* or other terms of your membership, at your Renewal Date. We will not add any personal exclusions or restrictions to your cover for medical conditions that:

- start after your *Start Date*, so long as you gave *us* all the information we asked for before the *Start Date*
- start before your *Start Date*, where:
 - you gave *us* all the information we asked for and we accepted the condition, or
 - if your cover is Moratorium, the requirements specified on your Certificate have been met for that condition to be covered.

If we do make any changes, we will write to tell you at least 28 days before the *Renewal Date*. If you do not accept any of the changes you can cancel your Bupa By You health insurance policy within the later of:

- 28 days of the date on which the change takes effect; or
- 28 days of Bupa telling you about the change.

If you do end your membership within the 28 days we will treat the changes as not having been made.

1.8 At your Renewal Date you can ask *us* to:

- add, remove or change an excess, as explained on your Certificate
- remove any Add Ons you have chosen
- change any of your cover options.

You may add *Dependants* to your cover at any time.

We will consider your request and we may not agree or, for an increase in cover, we may add restrictions before we agree. These changes may affect the subscriptions you have to pay.

Changes are not effective until we have confirmed them in writing.

You may tell *us* that you want your partner to have the authority to ask *us* to make changes.

1.9 You must call or write to tell *us* if you change your address or you stop (or any of your *Dependants* stops) being *resident* in the *UK*.

1.10 We will send all correspondence and membership documents to the *Main Member*. When you send *us* documents, we cannot return the originals to you. However we will send you copies if you ask *us* to do so at the time you give *us* the documents.

1.11.1 We may post any official communication (a notice) to you under your Agreement at the contact details we hold. *Our* communication will be effective on the second business day after posting.

1.11.2 Any official communication or request you send to *us* will only be effective when we receive it. We may agree that you can send *us* official communications or requests by email.

1.12 This Agreement is governed by English law.

1.13 This Agreement is, and *our* marketing and other communications will be, in English. *We* will communicate with you in English throughout the period of the Agreement.

2 Claiming

2.1 *Our* 'Getting you started' guide explains in detail how to make a claim.

2.2.1 *Treatment* costs are only covered when:

- the person with responsibility is a *Consultant*. The only exception to this is where a *GP* refers you (or *we* refer you if *we* have said that a *GP* referral is not required) for *Out-patient Treatment* by a *Therapist, Mental Health and Wellbeing Therapist or Complementary Therapy Practitioner*
- on the date you receive *Treatment* the *Consultant*, medical practitioner or other healthcare professional and the facility where the *Treatment* is given, are recognised by *us* for treating the Condition you have and for providing the type of *Treatment* you need.

Private Healthcare Information Network

You can find independent information about the quality and cost of private *treatment* available from doctors and hospitals from the Private Healthcare Information Network: www.phin.org.uk

2.2.2 Any *Treatment* must be provided in the *UK*.

2.3 There are some conditions where a *GP* referral is not usually required and details of these are available from *us* on request. For information on these conditions please call member services or go to bupa.co.uk/making-a-claim

The list of conditions for which a *GP* referral is not usually required may be updated from time to time.

2.4 Your *GP* will advise if you need to see a *Consultant* or other healthcare professional and if so you will need a referral letter. *We* recommend that you ask your *GP* for an 'Open Referral letter' which will detail your symptoms, the body area affected and the type of specialist your *GP* advises, but will not name a specific *Consultant*, facility or healthcare professional. Alternatively, there is a form you can give to your *GP* to complete at bupa.co.uk/open-referral

If your *GP* does want to refer you to a specific *Consultant*, facility or healthcare professional, call *us* before you make an appointment to confirm that *we* recognise them, to avoid your being liable to pay.

2.5.1 You must provide *us* with the information *we* reasonably need to assess your claim. For example, *we* may ask you for:

- medical reports and other information about the proposed *Treatment*
- an independent medical examination, at *our* expense
- original accounts and invoices in connection with your claim (including any related to *Treatment* costs covered by your excess – if any). *We* cannot accept photocopies of accounts or invoices or originals that have been altered.
- You can, of course, refuse to supply any of this material, but if you do not provide *us* with information *we* reasonably request, *we* will be unable to assess or pay your claim.

2.5.2 When you need a medical report from your *GP* or *Consultant*, *we* can request this for you. You can ask *us* to get the report without your seeing it before it is sent to *us*, though you can always change your mind by contacting your doctor before the report is sent to *us*, when you will have the opportunity to ask the doctor to change the report or to allow you to add your comments, or you can refuse to agree to its release.

Alternatively, you can tell *us* that you want to see the report before it is sent to *us*, in which case you will have 21 days, after *we* tell you that *we* have requested the report to contact your doctor to make arrangements to see it.

If you do not contact the doctor within the 21 days, you will have authorised them to disclose the report to *us* directly without further notice to you. If you contact your doctor to see the report, you must then give the doctor written consent before it can be released.

2.5.3 If you do refuse consent to the release of the report to *us*, *we* may be unable to proceed with your claim.

2.5.4 You can always ask your doctor to let you see a copy of the report, so long as you ask within six months of the report being sent to *us*. Your doctor is entitled to withhold some or all of the information contained in the report if, in their opinion, this information (a) might cause serious harm to your physical or mental health or that of another person, or (b) it would reveal the identity of another person without their consent (other than that provided by a healthcare professional in their professional capacity in relation to your care).

2.5.5 *We* make a contribution to the costs of any *GP* report that *we* have requested on your behalf. The contribution level is available from [bupa.co.uk/policyinformation](https://www.bupa.co.uk/policyinformation). You will be responsible for any amount above this. Please note that if *we* request a medical report regarding a claim that is confirmed to relate to a *pre-existing condition*, *we* will not make any contribution.

2.6 If your Certificate says that your underwriting method is moratorium, then before you arrange any consultation or *treatment* you must call *us* and we will send you a pre-treatment form to complete with details of the history of the relevant medical condition including information you will need to get from your *GP* or *Consultant*. They may charge you a fee for this which we do not pay. Once we receive all the information we need, we will say whether your proposed *Treatment*, medical provider, healthcare professional or *Treatment* facility will be eligible under your cover.

If you wish to make a claim, we will tell you whether you will need to complete a claim form.

If you do not need to complete a claim form, we will treat your submission of your pre-*Treatment* form to *us* as your claim once we are notified that you have received your consultation or *Treatment*. In most cases we will be notified that you have received your consultation or *Treatment* by your *Consultant* or the provider of your *Treatment*.

If you do need to complete a claim form, you will need to return the fully completed claim form to *us* as soon as possible and in any event within six months of receiving the *Treatment* for which you are claiming unless this was not reasonably possible.

2.7 If your Certificate says you are entitled to *NHS Cash Benefits*, call the helpline to check your *Benefits*. We will confirm your *Benefits* and tell you whether you need to complete a claim form. You must send *us* either:

- your completed claim form if you need to complete one – please note that for *NHS Cash Benefit* you will need to take your claim form with you to the hospital and ask them to complete the hospital sections, or
- if you do not need a claim form, a covering letter giving your name, address and membership number together with your original invoices and receipts.

2.8 If you claim for *Treatment* because of an injury or medical condition caused by someone else you must tell *us* this as soon as possible. If you claim compensation from the person at fault you must:

- tell *us* and tell the insurance company or solicitor of the person at fault that you are having private *Treatment* and wish to recover the costs as part of your claim
- add to your claim the costs we have paid, interest on those costs and *our* administration costs;
- keep *us* informed of the progress of the claim
- and pay to *us* any amount reflecting the costs we have paid (and any associated interest and administration costs) which you recover.

2.9 Please note, you can only claim for eligible private medical costs once. This means if you have two policies that provide private medical cover, the cost of your eligible *Treatment* may be split between *Bupa* and the other insurance company. You will be asked to provide *us* with full details of any other insurance policy at the time of claim.

3. Paying a claim

3.1 Usually *we* will pay the providers of your *Treatment* directly. Otherwise *we* will pay the *Main Member*. *We* will pay claims for *NHS Cash Benefits* to the *Main Member*.

3.2 If you wish to withdraw your claim, you should call the helpline to tell *us* as soon as possible. You will be unable to withdraw if *we* have already paid the claim. If you do withdraw your claim you will be responsible for paying the costs of that *Treatment*.

3.3 In exceptional circumstances, *we* may agree to pay for the costs of *Treatment* to which you are not entitled under your cover. If *we* do, this payment will count towards the maximum amount *we* will pay under your related cover. Making these payments does not oblige *us* to make them in the future.

3.4.1 Your Certificate will say if you have agreed with *us* an excess payment.

3.4.2 Having an excess means that you have to pay part of any *Treatment* costs that *we* would otherwise pay. An excess applies to the first amount of any claim.

3.4.3 Any excess applies per person per policy *Year*. It resets at each Renewal Date even if your *Treatment* is continuing. So your excess could apply twice to a single course of *Treatment* if the *Treatment* begins in one *Year* and continues into the next.

You are responsible for paying any excess. *We* will write to you to say who you should pay.

3.4.4 You should always make a claim for *Treatment* costs even if *we* will not pay the claim because of your excess. Otherwise the amount will not be counted towards your excess and you may lose out should you need to claim next time.

3.4.5 Unless *we* say otherwise on your Certificate:

- *we* apply the excess limits in the order in which *we* process claims
- the excess does not apply to *Cash Benefits*
- when you claim for *Treatment* costs where a benefit limit applies, your excess payment will not count towards your total benefit limit for that benefit.
