

# Intermediate marathon programme

This programme is for you if you consider yourself to be a more developed runner. You may have already completed marathon races before, or possibly a half marathon race.

Use this alongside our marathon training webpage: [bupa.co.uk/marathon-plan](http://bupa.co.uk/marathon-plan).

The effort levels described here correspond to the 'Activity' column. One mile is equivalent to 1.6 km. For this training programme, where distances are specified, we've rounded them to the nearest mile for simplicity.
